Practical Resources on Education Abroad Programming

[Standards of Good Practice for Education Abroad, 6th edition](#)

This document specifies minimum requirements, quality indicators, and a framework for continuous improvement for education abroad for participants from institutions.

[Code of Ethics for Education Abroad, 3rd edition](#)

This document is designed to guide ethical decision-making and assist institutions as they seek to provide education abroad experiences and services in accord with the highest ethical standards. The Shared Values and Principles of Professional Practice outlined are essential to fair and just administration of education abroad programs and to the welfare of the learners that we serve.

[Leading Short-Term Education Abroad Programs: Know the Standards](#)

This publication for leaders of short-term programs explains what they need to know before running an academic program abroad. The guide provides a planning framework to inform conversations among all those involved in the design and implementation of the program. Order print copies for distribution at your institution or share the link to the digital document.

The Forum's Guidelines series addresses specific program types or facets of education abroad programming:

- [Guidelines for Community Engaged Learning Abroad](#)
- [Guidelines for Education Abroad Advising](#)
- [Advancing the United Nations Sustainable Development Goals Through Education Abroad](#)
- [Guidelines for Best Practices in Responding to Sexual and Gender-Based Misconduct](#)
- [Guidelines for Conducting Education Abroad during COVID-19](#)

- [An Education Abroad Professional's Guide to Online Global Learning Experiences](#)
- [Guidelines for Good Business Partnerships](#)
- [Guidelines for Undergraduate Research, Field Studies, and Independent Study Projects Abroad](#)
- [Guidelines for Internships Abroad](#)
- [Guidelines for Undergraduate Health-Related Experiences Abroad](#)
- [Guidelines for Language Learning Abroad](#)

Standards in Action (2022-) is a book series that seeks to bridge big ideas and foundational principles in education abroad to the creative approaches and practical tactics that can turn those concepts into reality. As our field seeks to face down hard challenges and reinvent itself for the future, these books provide the inspiration and the guidance needed to usher in the new era.
